Re: Cat Deposit

As stated in the *House Rules*, Rookwood Residents are permitted to have up to two house cats as pets, as long as the board's guidelines are followed.

One of the requirements of cat ownership is payment of a deposit equal to one month's assessment. Other concerns follow below.

Please keep your cat in good health with any needed shots and medications. Please confine your cat to your unit, removing it in a cat carrier when entering or leaving your unit. It is never permitted to run in the halls or common areas.

Please list cat information below:

Cat #1 Name _____ Color _____ Sex _____

Cat#1 Name _____ Color _____

Please complete any emergency information that you feel would be helpful.

(Veterinarian name, telephone number, other emergency phone numbers or contacts, special diet and or medications, etc). Use the back of this sheet if necessary.

I have read and understand the Addendum to the Rookwood House Rules which outlines the terms and conditions of cat ownership (first published in the December 1993 Rookwood Newsletter). I understand that fines may be levied by the Board for violations of the guidelines regarding cats, and that these fines may be deducted from the deposit. I also understand that deposit remaining will be refunded upon apartment sale or upon written notification that I am no longer a cat owner.
